

# ParentsNext

AN AUSTRALIAN GOVERNMENT INITIATIVE

*ParentsNext helps eligible parents to plan and prepare for employment by the time their children go to school. Mentors work with parents to help them to set education and employment goals, develop a pathway to achieve their goals and link them to services and activities in the local community.*

## Who will be eligible for Voluntary Participants ParentsNext?

*From 2 July 2018 parents will be eligible for ParentsNext if they have been:*

- *receiving Parenting Payment for the last six months,*
- *have had no earnings during this period, and*
- *have a child aged under six years.*

*Positive steps forward*

*Individual growth and self-reliance*

## What can we help with?

*Identifying education and training goals*

*Support to achieve employment goals*
